Quality of Outline	Outline is correct, clear, and mostly complete. Any notes are clear and intelligible.	Outline is mostly correct, clear, and mostly complete. Some notes are vague or irrelevant.	Outline is missing substantial parts.	No outline is given.	3
Comments (e.g. Give an example of what could be improved. How can the outline be improved?, etc.)	It's a research paper and you talked about what you are going to be researching, so it's good for me. I understand what you're looking to research and it looks fun, lot's of data out there, as I see you've already found a lot of sources				
Intellectual Merit	The research outlined looks interesting, creative, and/or substantial.	The research outlined is interesting, creative, and/or substantial, but does not seem feasible to do in a semester.	The research outlined lacks substantial complexity.	No outline is given or the outline is too vague to determine if the research has merit.	3

Comments (e.g. Give an example of what could be improved. If the project is too complex, what parts of the project could feasibly be done? If the project is too simple, what features could be added?)	This is an advanced topic and I like the idea, can't wait to see where it goes since I see all of your sources and everything you're looking to cover. It all looks really exciting!				
Video	The video gives a helpful, clear depiction of the project.	The video gives a helpful, clear depiction of the project, but is confusing or vague in parts.	The video does not give a helpful, clear depiction of the project.	The video is missing or is inappropriate.	0
Comments (e.g. Give constructive feedback to help improve the presentation style.)	No video provided
